Multi-Guard NVR

The GV-NVR (Network Video Recorder) records video and audio data over TCP/IP networks. With up to 32 channels of pure IP surveillance, the GV-NVR offers the same functions as GV-Series Surveillance System.

From monitoring features to video analytics as well as integration with LPR, POS/ATM and Access Control systems, it stands as one of the most comprehensive IP surveillance software in the security market. Combined with Geovision IP camera, the GV-NVR takes advantage of a better image quality thanks to the progressive scan technology and allows advanced video features such as Picture-In-Picture and Picture-And-Picture.

Compatibility with a wide range of third party IP cameras including Onvif, makes the GV-NVR the ultimate solution for pure IP surveillance environments.

AUSTRAL SURVEILLANCE

Austral Surveillance is an independent Australian organisation dedicated to the electronic surveillance industry. Our aim is simple:
“Comprehensive security at an affordable price”

PRICE & STOCK AVAILABILITY

All prices in this catalogue include GST. Order turnaround ranges from 2 - 5 working days depending on stock availability and geographic location. In the event of an 'out of stock' your order can be placed on 'back order' if specified to do so.

Ownership of goods does not pass until proceeds of payment are cleared.

CAMERA CONNECTION

All cameras in this catalogue simply plug into the A/V video input socket on monitors, T.V's, VCR's and capture cards. In most cases a VCR will be used to record images in your absence.

In this case a 4 hour video cassette is ideal which can even give you 8 hours in long play mode (similarly, a 5 hour tape will record for 10 hours) if your VCR is equipped with this feature.

PRIVACY POLICY

All units in this catalogue are sold with the understanding that they will be used for personal purposes only. These units are designed to be used in the home or office where they will not invade the privacy of others. No responsibility will be taken for equipment misuse which results in legal action.

All customer information collated by Austral Surveillance is done so in the strictest of confidence. Under no circumstances is any information 'shared' with other organisations for marketing or any other purpose.

WARRANTY AND DISCLAIMER

Austral Surveillance (seller) warrants its products to be in conformance with its own plans and specifications and to be free from defects in materials and workmanship under normal use and service for 12 months from the date of original purchase unless specified otherwise. Sellers obligation will be limited to repairing or replacing, at its discretion, free of charge for materials or labour, any part which is proved not in compliance with Sellers specifications or proves defective in materials or workmanship under normal use and service. Seller shall have no obligation under this limited warranty or otherwise, if the product is altered or improperly repaired or serviced by anyone other than the seller. For warranty service, return faulty product, transportation prepaid, to address above. Seller has no obligation to attend the buyers location to retrieve the goods, or make repairs onsite.

There are no warranties, expressed or implied, of merchantability, or fitness for a particular purpose or otherwise, which extend beyond the description on the face hereof. In no case shall the Seller be liable to anyone, for any consequential or incidental damages for breach of this or any other warranty, express or implied, or upon any other basis of liability whatsoever, even if the loss or damage is caused by its own negligence or fault.

Seller does not represent that the products it sells may not be compromised or circumvented; that the products will prevent any personal injury or property loss by burglary, robbery, fire, theft or otherwise; or that the products will in all cases provide adequate warning or protection. Customer understands that a properly installed and maintained surveillance and / or security system may only reduce the risk of burglary, robbery, theft or fire without warning, but it is not insurance or a guarantee that such will not occur or that there will be no personal injury or property loss as a result. Consequently, Seller shall have no liability for any personal injury; property damage or other loss based on a claim that the product failed to give any warning or detection. However, if the seller is held liable, whether directly or indirectly, for any loss or damage arising under this limited warranty or otherwise, regard less of cause or origin, Seller's maximum liability shall not in any case exceed the purchase price of the product, which shall be the complete and exclusive remedy against the seller. No increase or alteration, written or verbal, of the obligations of this Limited Warranty is authorised.

The illustrations, information & specifications presented within this catalogue were correct at time of printing & were based on information supplied by manufacturers. Austral Surveillance does however reserve the right to change the specifications, designs & prices or discontinue lines presented in this catalogue at it's discretion & without notice.

Austral Surveillance is not liable for typographical errors. This catalogue supersedes all others from Austral Surveillance. All freight is at buyers risk, unless insurance is arranged.

Any contract entered into by Austral Surveillance, shall be governed by the laws of the State of NSW, Australia
